

Château Bellevue

SAINT-EMILION GRAND CRU CLASSÉ

2019

Once again, thanks to the diversity of the vineyard's exposure and soils, this is a vintage in which Château Bellevue's different plots combine to offer a multi-faceted Merlot. The colour is ink-black with violet glints. Magnificent aromas of black fruits mingling with notes of graphite come to the fore on the nose. The entry on the palate is fresh, while the tannic structure is dense and taut and is underpinned by lovely acidity that brings precision, verticality and length of flavour. A long-ageing wine that, like all great vintages of Château Bellevue, will re-veal its full personality in a few years' time.

Harvest : 20 - 28 September

Blending : 100% Merlot
